CESSATION ORDER

The organizations (as per list enclosed) were associated with the UPSDM as Flexi Training Partners for training the youth of State and utilize the skilled workforce in their establishment and thus enhance their production and productivity.

This win-win model drew high appreciation form different quarters and hailed by the Govt. of India also.

It has come to our notice that somehow, they are not performing since last 2 years, may be due to their corporate matters.

Consequently, considering their reservations, we are calling of the day with the organizations, (as per enclosed list) and all related instruments of association would cease to hold any effect henceforth. However, if at any stage later, these organizations express their interest and willingness, they may submit their expression of interest again for their re-empanelment.
